My Health Toolkit

You can use My Health Toolkit to see if your plan covers a specific procedure, get more information about your health and dental benefits, check the status of a claim, and more. If you don't have an account, it just takes a few minutes to create one.

What's Included?

In the **Providers & Services*** section, you can:

- Find doctors, hospitals, dentists and other health care providers.
- Rate your visit.

In the **My Plan & Benefits**** section, you have access to:

- Prescription information.
- Eligibility and benefits.

In the **Health and Wellness section*** helpful tools include:

- **FOCUS** _{fwd} Wellness Incentive Program.
- Health Coaching.

*These appear in the Resources section for mobile users.

**These appear in the Benefits section for mobile users.

Download the My Health Toolkit Mobile App Today!

Your insurance benefits are with you wherever you go and whenever you need them.

With the app, you can:

- View and share your digital ID card.
- Find an in-network doctor or hospital.
- Quickly check the status of your claims.
- Update your contact information.
- See what's covered by your health plan.

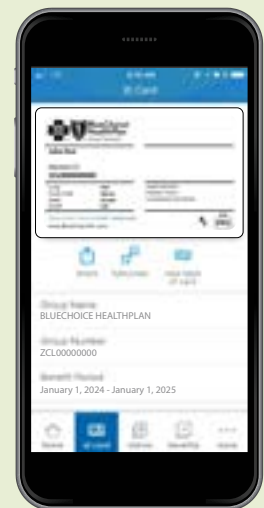

Current My Health Toolkit users can log in to the app with their existing usernames and passwords.

New My Health Toolkit users can register through the app.

Visit the App Store or Google Play and download today.

Focus on life. Focus on health. *Stay focused.*
